

Engagement & Stewardship Action Team

Albemarle-Pamlico National Estuary Partnership (APNEP)

October 23, 2018

University of Mount Olive, New Bern

10:00am – 3:00pm

WEBEX: See email for access instructions

DRAFT AGENDA

Meeting Goals:

1. To get Team feedback on inventory of current initiatives addressing the Team's CCMP Actions in the Albemarle-Pamlico region, identifying any obvious gaps/needs and opportunities
2. To provide a Team recommendation for presentation to APNEP's advisory committee, the Leadership Council, regarding continued funding for the Teacher Institute and Shad in the Classroom initiatives.
3. Create a list of outputs for the Team's CCMP Actions that will be used to monitor project outputs/results going forward.
4. Provide feedback on an evaluation rubric that APNEP will be posting on our website and using to assess future project proposals, including any future RFPs.

Time	Agenda Item	Discussion Facilitators
