

**The State of Sounds 2011:**  
**An Assessment of the Albemarle Pamlico Ecosystem**  
Table of Contents

**Executive Summary**

**Acknowledgements**

**Chapter 1: Introduction**

- APNEP
- CCMP
- EBM
- Assessment History
- Format of this Assessment

**Chapter 2: The Region's Ecosystems**

- Featured ecosystems
- Selection of featured indicators
- Addressing climate change
- Challenge of economic valuation (A. Keeler, L. Dubbs)

**Chapter 3: System-Wide**

**Extent and Pattern**

- Ecosystem Extent (T. Crawford, S. Terziotti)
- Human Population (T. Crawford)

**Chemical and Physical Characteristics**

- Nitrogen & Phosphorus Loading (T. Spuill)
- Total Inorganic Nitrogen Deposition (R. Dennis)
- Metals Standards Violations (L. Dubbs)
- Water Quality Standard Violations (L. Dubbs)
- Ground-Level Ozone Concentrations (R. Dennis)
- Flows, Severity, Frequency, Duration of Droughts and Floods (T. Spruill)
- Ambient Air Temperature (D. Figurskey)
- Storm Frequency and Intensity (D. Figurskey)
- Dissolved Oxygen Standard Violations (L. Dubbs)
- Chlorophyll-a Concentration (L. Dubbs)

## Biological Components

- River Herring Population Condition (D. Carpenter, W. Laney, Others)
- Shad Population Condition (D. Carpenter, W. Laney, Others)
- Sturgeon Occurrences and Population Status (D. Carpenter, W. Laney, Others)

## Chapter 4: Coasts, Sounds, and Near-Marine

### Extent and Pattern

- Eastern Oyster Bed Extent and Densities (D. Carpenter, ?)
- SAV Extent by Density Class (D. Carpenter, D. Field, J. Kenworthy)
- Phragmites Extent (D. Carpenter, K. Havens)

### Chemical and Physical Characteristics

- Secchi Depth (T. Spruill)
- Shoreline Change (R. Corbett, H. Mitasova)
- Salinity Concentration (L. Dubbs)
- Relative Sea Level (L. Dubbs)

### Biological Components

- Unusual Fish Mortalities (W. Laney)

## Next Steps

- Assessment Function Remains Active
- Additional Indicators: Role of Assessment Support and Monitoring by Partners
- Future Chapters: Forests, Farmlands, and Grasslands; Fresh Waters; Urban and Suburban
- Beyond Status and Trends: Diagnosis, Forecasting
- Other Assessments: Management and Engagement

## Appendix: Technical Methodologies of Indicator Assessments

Oct 14, 2011
