

# Albemarle-Pamlico National Estuary Program

Scientific and Technical Advisory Committee Autumn Meeting

November 20, 2007

U.S. Environmental Protection Agency

Research Triangle Park, North Carolina

## Minutes

### Those Attending:

Robin Dennis

Chris DePerno

Barbara Doll

Don Field

Walker Golder

Bill Hunt

Wilson Laney

Lynn Maguire

Mike Mallin

Bill Porter

Robert Reed

Enrique Reyes

Michael Rikard

Steve Smutko

Joanne Harcke

Bill Swartley

Dean Carpenter

The committee meeting was only 30 minute long because STAC members joined members of the APNEP Policy Board and other APNEP advisory committees for an "All-Hands" meeting during the remainder of the day's agenda.

### APNEP Update

Dean Carpenter recognized the North Carolina agency liaisons in attendance. He reported that

- Committee members Jeff DeBlieu and Craig Conrad had resigned this month and two new members, Bill Hunt (NCSU) and Jeff Hanson (USACE), were elected on August 20. Thus there remains two seats open on the STAC.
- the STAC winter meeting will be at East Carolina University in Greenville on January 30;
- STAC input required to complete "two-page" indicator sheets.

### Presentations

"APNEP Indicators Progress" *Dr. Carpenter*

During a brief discussion period, members recommended a more comprehensive review of individual candidate indicators at the winter STAC meeting.
