

## MEMORANDUM

**TO:** Tar-Pamlico River Basin Regional Council Members

**FROM:** Paul Blount, Vice Chairman *PB/*

**SUBJ:** Next meeting – **June 16, 2000**

**DATE:** June 5, 2000

Enclosed is the agenda for our next regularly scheduled Tar-Pamlico River Basin Regional Council meeting. As indicated in the last set of minutes mailed to you, it will be held on **June 16, 2000, at the Wedgewood Public Golf Course in Wilson**. I have included another copy of the map, with directions, which was sent with that mailing. We will begin at 9:30am and adjourn at approximately 11:45am.

Following our adjournment, we have been invited to lunch at the campsite of Grady Robbins, one of our newest members. He will provide us with directions to the luncheon site, Toisnot Swamp, as we caravan over there, after our meeting. If it rains, there is shelter so the cookout will still occur.

As you can see from the agenda, our program promises to be interesting and particularly relevant, as we are again engaged in the hurricane season. Please make every effort to attend. If you cannot, please contact Joan Giordano at: 252/946-6481, or [joan.giordano@ncmail.net](mailto:joan.giordano@ncmail.net), to report your intended absence. It is time to be looking seriously at the past year's attendance record and making decisions (in compliance with our bylaws) to drop non-attendees from the membership roster. Also, if you wish to be removed from the Council roll, please make Joan aware of that also.

I look forward to seeing you on the 16<sup>th</sup>, and ask that you please drive safely.
